**Re: Downeast LNG, Docket Nos. CP07-52-000, CP07-53-000, and CP07-53-001
Passamaquoddy Indian Township Tribal Government Opposes Downeast LNG**

Dear Ms. Bose,

On 2014 June 11, the Passamaquoddy Indian Township Tribal Government sent a letter to Elizabeth Molly at the FERC Office of General Council. On 2014 June 19, Save Passamaquoddy Bay filed a copy of that letter to the FERC docket.

All three Passamaquoddy Tribal governments...

1. St. Croix Schoodic Band Government (Accession No. 20130513-5040)
2. Pleasant Point Tribal Government (Accession No. 20140613-5134)
3. Indian Township Tribal Government (Accession No. 20140619-5051)

...have now issued their emphatic objections to the Downeast LNG project. Downeast LNG would violate Passamaquoddy Tribe sovereignty rights, waterway and navigation rights, land rights, cultural rights, and religious rights.

Numerous federal Acts and responsibilities attend to, and protect Native American rights that would be violated by the proposed Downeast LNG project.

FERC has no choice but to deny Downeast LNG's application permits.

Very truly,
